Hi there! Thank you for considering me for any and all creative projects. I have been an artist working on commissions, gifts, and more since 2012. From 2019-2021 I worked professionally as a sign artist for Trader Joe's in Pleasanton, and was also hired for two public art displays in Dublin. Here are some examples of products and services I provide, but feel free to ask questions!

Please Note:

All base prices listed are subject to increase or change based on product specifics. Pricing is determined based on cost of materials and time to complete each project. All commissions will be completed within 2-4 weeks, but can be rushed to a one week deadline for an additional charge. Thank you for understanding.

Custom Painted Shoes

Shoes can be designed and painted on high tops or flat Ked's-style lace-up shoes. Painted with acrylics and sealed with a finishing gloss to preserve your uniquely beautiful shoes! Designs can include anything from characters, patterns, words, etc. Daelyn will work with you to create a one-of-a-kind design that you are sure to love.

Base Pricing:

Shoe prices are based on individual design and can vary/increase based on your design choices. You have the option to provide your own shoes for Daelyn to paint (recommended), or she can find shoes for you in your size for an additional cost.

City of Dublin Commissioned Work

Daelyn was hired in 2019 by the City of Dublin, California to design and paint two utility boxes for a public art display project. She and a co-artist (David Eisenstadt) completed their designs reflecting the assigned themes of The History of Dublin and The New American Backyard. In 2020, Daelyn was commissioned again to provide designs and artistic services for a public art Adirondack Chair Project, where her work was auctioned at city events.

Graphic Design

Daelyn specializes in graphic design using Photoshop and Procreate. Her graphic design skills have been praised by many, and her projects have been showcased and awarded in showcases such as the UC Davis Department of Animal Science pet mascot contest. She has worked on graphic art gifts, tattoo designs, simple animations, photo editings, and more!
